

Caltrans District 9 Bicycle Guide

US 395 – Inyo County

Description:

The Inyo County section of US 395 alternates between 2-lane conventional, 4-lane conventional, and divided 4-lane expressway segments. Shoulder widths throughout the county are generally moderate to wide. This route experiences mild grades and offers sweeping views of the Northern Mojave Desert and the Owens Valley. In Inyo County, a Class II (Bike Lane) facility is available from Elm Street to Brockman Lane in the City of Bishop.
