

Caltrans District 9 Bicycle Guide

US 395 – Mono County

Description:

The Mono County section of US 395 generally operates as divided and undivided sections of a 4-lane expressway until it alternates with 2-lane conventional sections starting north of Lee Vining. The highway traverses at moderate to steep grades with the steepest, Sherwin Grade, the start of this segment. The route travels through high alpine country. In Mono County, a Class II (Bike Lane) facility is available from Hayes Street to Kirkwood Street in Bridgeport; a Class III (Bike Route) facility is available north of Crowley Lake Drive to Picnic Shortcut Road in Lee Vining.
