Dear Mr. Moreno:

On behalf of our the Sun Valley Beautiful community that we represent, I would like to thank you for your work thus far in addressing our request for assistance on the problems at the 5 Freeway near the Penrose exit. We are extremely impressed with you responsiveness and prompt actions in getting out on site and coordinating the refurbishment of the area.

The presentation you gave at our meeting today gave us a good grasp on the issues that CalTrans must work around in maintaining our freeway onramp areas. We have a much better understanding and appreciation for the work that you do.

We look forward to working with you in keeping the Sun Valley area as neat , clean and safe as possible.

Sincerely,

Ted Bradpiece
President of the Board
