The California Department of Transportation (Caltrans) announces a scheduled night closure on Northbound State Route 99 at Sandrini Road as part of a bridge rehabilitation project south of Bakersfield within Kern County.

The following night closure is scheduled through late April 2016:

FREEWAY CLOSURE: Northbound State Route 99 will be closed at Sandrini Road (Exit 7) Sunday night through Thursday morning between the hours of 10:00 p.m. and 5:00 a.m. each night. This closure will begin tonight, Monday, March 14th and continue weekly through late April 2016.

During this closure, Northbound State Route 99 will be closed at Sandrini Road (Exit 7). Northbound traffic will be detoured off of State Route 99 at the Sandrini Road exit, then back onto 99 utilizing the on ramp at Sandrini Road.

Motorists may experience delays and are encouraged to take alternate routes whenever possible. Closures may continue for longer periods of time each night if necessary, due to delays caused by weather or uncontrollable events that may occur during construction.

Caltrans would like to thank motorists and commuters for their patience during this project. The public is asked to drive with extra care while traveling through the construction area and please
